

## THE SLAVIC GOD TRIGLAV

Mihai DRAGNEA\*

---

**Abstract:** This article presents a description Triglav, a god or complex of gods in Slavic mythology. Oracular ceremonial that take place for Triglav was the same as the oracular ceremony of Svantevit from Arkona temple in Rugia island. The informations were taken from the medieval sources such as the *Vita Ottonis* of Otto from Bamberg and the chronicles from Prieflingen monastery. This triad is part of the Indo-european system of multi-headed deities (polycephaly).

**Rezumat:** Acest articol prezintă o descriere a lui Triglav, zeu sau complex de zei din mitologia slavă. Ceremonialul oracular care era practicat pentru Triglav era același ca ceremonialul oracular al lui Svantevit de la templul Arkona din insula Rugia. Informațiile au fost preluate din surse medievale cum ar fi *Vita Ottonis* a lui Otto von Bamberg și cronicile de la mănăstirea Prieflingen. Această triadă este parte a sistemului Indo-European de zei cu capuri multiple.

---

**Keywords:** Slavic mythology, Paganism, Baltic Slavs, Polycephaly, Christianity.
